VOL. XXXIX NO. 36

STANFORD LINCOLN COUNTY, KENTUCKY, FRIDAY, APRIL 12, 1912

TUESDAYS AND FRIDAYS.

## DR. DAVISON STILL WEARS HIS FIGHTING CLOTHES.

At Eighth District Republican Convention at Shelbyville Taft Delegates Are Elected.

Lincoln county republican leaders played a big part in the 8th district convention at Shelbyville Tuesday. A dispatch to the Courier Journal said:

Shelbyville, Ky., April 9.—Two sets of delegates, one instructed for Taft and the other for Roosevelt, were elected by separate conventions held here this afternoon by the Republicans of the Eighth district. The Taft delegates are C. C. Wallace, of Madison, and L. W. Bethurum, of Rockcastle, with J. B. Kincheloe, of Shelby, and George W. Gentry, of Lincoln, as alternates, and the Roosevelt delegates are William Lawwill, of Boyle, and H. G. Batson, of Garrard, with Knox Brown, of Spencer, and James T. Cook, of Mercer, as alternates.

The split did not come until the regular convention was declared adjourned when the Hon. Brutus Clay of Madison, asserting that the majority of the Republicans of the Eighth district had been disfranchised by a minority, called on them to remain and hold a convention which would express properly the will of the people.

L. W. Bethurum and A. R. Burman, of Madison, were not in nomination for temporary chairman. The secretary of the committee, R. L. Davison, of Lincoln, who presided while the vote was taken, ruled that the delegation holding the credentials signed by the county chairman would be recognized, and declared Bethurum elected by a vote of 142 to 21. He received the vote of every county except Boyle and Spencer. R. L. Davison was elected secretary.

The resolutions heartily endorse the national administration of W. H. Taft and instruct the delegates to vote for his renomination and give him their united support on all questions coming before the convention. The course of Senator W. O. Bradley and the Republican Representatives in Congress was also endorsed. In the resolution as presented the name of G. D. Florence, of Lincoln, was included as one of the district delegates but he withdrew in favor of L. W. Bethurum, to whom he paid a high tribute for his services to the party.

The ballot convention endorsed Roosevelt. The proceedings of both conventions were orderly, though Secretary Davison apparently endeavored to recalculate a row at the outset by declaring it was necessary to him that the Republicans had turned out to be a lot of thieves and scoundrels, as was now asserted by men who had been Federal officeholders. It is the men who have been themselves recalled who are now unsholding the doctrine of the recall as advocated by Roosevelt, he said, and in conclusion he denounced the statement made by Judge O'Neal, that the Eighth district has been stolen, as "a lie."

## FOR CIRCUIT CLERK

Formal announcement is made today by J. D. Wearen, of this city, as a candidate for the democratic nomination for Circuit Clerk which will be made in the primary on August 3d, next. A few issues ago a former Lincoln man, but now of Fayette county said he was "from Missouri" if there was a cow in Lincoln that could beat the one owned by him. Nevin Carter's handsome young son of Peavine blood. This youngster was shown under halter and attracted the attention of everyone who saw him, and all had something nice to say about him. Predictions were freely made with two years' more growth he will prove to be the handsomest thing in horse flesh in this part of the state. ## LOCAL HENS IN FRONT IN EGG LAYING CONTEST

First Week's Records Show Orpingtons of Mrs. S. J. Embry Lead Their Class

The big egg laying contest to determine the best laying breed of chicken, began at Senator Paynter's farm in Fayette county on April 1st. The Louisville Post under whose auspices the contest is being held, announces that there are over fifty entries. Two of the entrants are from Lincoln county, A. C. Alford has entered a pen of his fine White Leghorns hens, and Mrs. S. J. Embry has entered a handsome pen of her Buff Orpingtons. The hens remain on the contest grounds for six months, and the number of eggs they lay during that time are carefully watched. Much interest is being manifested among poultrymen over the state in this contest, and local poultrymen are hoping that one of the two local entries may win first honors.

The first returns from the egg-laying contest were published in the Louisville Post last Saturday. The records for the first week showed that the Buff Orpington pen of five hens of Mrs. S. J. Embry, of this city, were leading all other hens of this breed. They were credited with nine eggs laid for the first three days of the test. Only two other pens were ahead of them, and they had laid but ten eggs, one ahead of the local pen. The hens of Mr. Alford did not get started so well as those of Mrs. Embry, but he is confident that they will be heard from yet.

## FARMERS LOSING COLTS

Considerable Loss This Spring Reported By Horse Breeders.

Much complaint is being heard among the horse breeders of the deaths of young colts this spring. The loss is falling quite heavily upon many of the farmers. Some of the big horse breeders have lost nearly all of their spring crop of colts and everyone is worried. The cause is thought to be the poor quality of corn feed, though some are inclined to attribute it to other causes. There is much doubt, however, as to just what is causing the loss.

E. P. and J. H. Woods are said to have lost nine colts. Jake Robinson about 6; Clarence Tate suffered a number of losses and others have likewise been the victims.
